Is Smart

Army Soldiers and workforce is well educated. The G.I. Bill provides them and their families opportunities for further education.

U.S. ARMY MWR DETROIT ARSENAL PARTNERSHIP OPPORTUNITIES:

Commercial Sponsorship and Advertising is a Department of Defense program that opens the door for civilian businesses to sponsor Family and Morale, Welfare and Recreation (MWR) programs on the installation.

Sponsorship can be cash, products, or services. The amount and type of sponsorship you provide is negotiable and based on a fair and equal exchange of value. It is our goal to develop a win-win relationship with you and your company.

All revenue generated through sponsorship goes directly to MWR programs to make them successful. Consider the impact your company can have on America's Soldiers, Veterans, and their families by becoming a Corporate Sponsor.
