A. We welcome children with special needs. Every child will receive a recommended care plan based on the information presented from the Multi-disciplinary Inclusion Action Team.

### **Q. What does DTA CDC, SAC, MST, and YSF stand for?**

A. DTA CDC = Detroit Arsenal Child Development Center, SAC = School Age Care  
MST = Middle School and Teen, YSF = Youth Sports and Fitness

### **Q. Why are there missing dates, bus information or locations?**

A. CYS adheres by OPSEC guidelines in removing any information that could be harmful to our youth in public. All information can be found online in Webtrac.

### **Q. Who are partnership children/youth?**

A: Detroit Arsenal CYS has partnerships with L'Anse Creuse Public Schools, Mount Clemens Community Schools and Macomb Community Action. Therefore students in those districts or in Macomb County are eligible to participate in our SAC, MST, YSF programs. We refer to these students as partnership children/youth. Military and Dept of Defense children/youth have priority, but we almost always have spaces available for partnership families to fill.
