Part 1

Army Child & Youth Fee Policy

Background: School Year 2016-2017 (SY 16-17)

1. The Military Child Care Act of 1989, codified in Section 568 of the National Defense Authorization Act for 1996, requires the Department of Defense (DoD) to establish DoD-wide Child Care Fees based on Total Family Income (TFI). The Congressional intent is for Families to pay a share of their child care expenses.
2. DoDI 6060.02, *Child Development Programs (CDP)*, requires DoD to annually review and adjust the Total Family Income Range and parent fees for each TFI category. Standard DoD fee ranges/fees are established for each TFI category.
3. The SY 16-17 Fees will be implemented in accordance with the approved Execution Order (EXORD). **The SY 16-17 Fees policy changes or operational guidance are identified by the bold print contained in this Annex.**
4. By law, military child care fees are based on TFI, not military rank or civilian grade. The Military Services subsidize fees on a sliding scale for every Family regardless of rank/grade.
5. The SY 16-17 Army Child & Youth Fee Policy addresses Child, Youth, & School (CYS) Services Child Development Centers (CDCs), School Age Care (SAC), Part Day Programs, Hourly Child Care, Family Child Care (FCC), Outreach Services (OS) Programs, Youth Programs (YP), SKIES *Unlimited* Instructional Programs, Youth Sports & Fitness (YS&F), and Army Community Based Child Care Programs.
6. The SY16-17 fee ranges continue to include the elimination of fee assistance for contractor employees assigned to Total Family Income Category 9 based on a DoD review of military child care studies.
7. IMCOM will provide operational guidance for this policy. **Documents can be located on Share Point:**

Part 2

Army Child & Youth Fee Policy General Business Practices (Is applicable to all programs unless otherwise noted): School Year 2016-2017 (SY16-17)

Installation operated Child & Youth Programs.

1. The Army Child & Youth Fee Policy ensures:
 - a. Child & youth fees are executed in a consistent manner Army-wide.
 - b. Families pay a share of the cost of child & youth programs.
 - c. Installations meet the *CYS Services Availability, Affordability, Accountability and Quality* standards and metrics.
 - d. Child & Youth **management and clerical** staff receive training to ensure the ability to appropriately respond to parents' questions about fees.
 - e. Program eligibility is contingent on the sponsor status.

(1) Eligible patrons include: Active duty military personnel; DoD civilian employees paid from either appropriated funds (APF) or non-appropriated funds (NAF); Reserve Component military personnel on active duty or inactive duty training status; combat-related wounded warriors; surviving spouses of military members who died from a combat-related incident; those acting in loco parentis for the dependent child of an otherwise eligible patron; eligible employees of DoD contractors; and others authorized on a space available basis. In the case of unmarried, legally separated parents with joint custody, or divorced parents with joint custody, children are eligible for child care only when they reside with the military service member or eligible civilian sponsor at least 25 percent of the time in a month that a child receives child care through an Army program. The preceding list is not in order of priority for care.

(2) The National Defense Authorization Act (NDAA) of 2000, Title 10 U.S.C, section 1799, states that children and youth under the age of 19 who are not dependents of members of the Armed Forces or of employees of DoD, and not otherwise eligible for participation (i.e. dependents of employees of other federal entities, etc.), may participate in child and youth services if participation promotes attainment of the following objectives:

- (a) Supports the integration of children and youth of military Families into the civilian community,

(b) Makes more efficient use of DoD facilities and resources, or

(c) Establishes or supports a partnership or consortium arrangement with schools and other youth services organizations serving children of members of the Armed Forces.

NOTE: Approval to accept these otherwise ineligible users must be first granted in writing by HQ IMCOM. **Federal entities may include but not limited to: Federal Credit Unions, Schools on Post and or Post Offices on Post.**

2. Service Payments:

a. Regularly scheduled Full Day, Part Day/Part Time and Before/After School Care fees must be paid within established semi-monthly payment periods and are due by the 5th business day of the payment cycle.

b. Vacation camp fees are paid weekly no later than the Wednesday prior to the start of camp.

c. *SKIES Unlimited* Instructional Classes, Youth Sports and Camps fees must be paid in full prior to attendance.

d. *Hourly Care must be paid in full on the day service is provided.*

e. *Families are not charged for validated Army mission-related extended hours care.*

3. Initial Fee Payments for Full Day, Part Day/Part Time Programs and Before/After School Programs:

a. Are required from new Families at the time they accept the child care space offered by the CYS Services Parent Central Services Office.

b. Reserve the child's space in the program and are paid in advance of the child's start date.

c. Will equal 10 percent of the monthly payment and be credited to the first month's payment.

d. Are only refundable for Families who withdraw prior to the start date due to deployment, PCS move, extended TDY or Family emergencies.

4. Late Payment Fees:

a. For services billed twice a month (1st and 15th), a one-time \$10.00 per child late payment fee will be assessed on the 6th business day of each missed payment cycle.

b. For any regularly scheduled activities billed on a monthly basis, a one-time late payment fee of \$20.00 per child will be assessed on the 6th business day after the 1st of the month billing.

c. Families will receive a late payment notice **on the 6th business day**, outlining the procedures for payment and possible termination if fees are not paid.

d. SKIES*Unlimited* Instructional Classes, Youth Sports and weekly Summer Camp program fees **must be paid in full prior to attendance and** are not subject to late payment fees.

5. Late Pickup Fees:

a. CDC and SAC programs are authorized to charge a late pickup fee of \$1.00 per minute up to 15 minutes per Family per site regardless of the number of children in care at that site. After 15 minutes, the charge is \$5.00 per child/per site for the next 45 minutes. CYS Services emergency procedures will be followed when the child(ren) is (are) left at the program one hour after closing the program.

b. Late pickup fees are not charged for approved mission-related circumstances or when specific arrangements to extend child care are made prior to pick up.

6. Miscellaneous Fees:

a. Parents may be charged fees to cover the cost of occasional program enhancing special events. Events may include optional trips to amusement parks, water parks, carnivals, concerts and other activities determined to be outside the program operating budget.

b. Parents are not charged fees for lost key fobs or ID cards, routine field trips, and food, supplies, materials/activities related to daily program participation.

c. Only the fees stated in this policy are authorized.

7. Suspension/Denial/Termination of Services:

a. At the end of every payment cycle, outstanding balances must be reviewed using the CYMS Global Trial Balance, Activity Trial Balance, Pass Trial Balance, and Household Balance Aging Reports.

b. Late payments for full- or part-time care will result in a notice of suspension of services when fees are not paid in full by the 2nd billing date of the month. Services will be suspended on the last day of the month until the fees are paid in full or a hardship waiver/payment plan is approved by the Garrison Commander. Services may be terminated when fees are not paid in full or a financial hardship waiver is not approved.

c. All other program fees must be paid in advance of participation. **Patrons with outstanding late pick up and/or no show fees will not be allowed to use or reserve a space for care until the fee is paid in full.**

8. Multiple Child Reductions (MCR):

a. A 15 percent MCR is applied when more than one child is enrolled in regularly scheduled child care programs (CDC, FCC, SAC, and YP before school/camp or youth sports). MCR's for child care and Youth Sports are calculated separately and may not be combined.

b. MCRs are not applied to contractor employees assigned to TFI Category 9, Hourly Care Services, SKIES *Unlimited* fees or School Age Care occasional user fees.

9. Mission-Related Extended Hours (AR 608-10, 5-11.f.4): **Applicable to single military and dual military when both sponsors are working extended hours.**

a. Families are not charged for approved Army mission-related extended hours care.

b. Soldiers must provide written validation confirming the need for mission-related extended hours care.

NOTE: Template can be located in the Share Point site.

https://army.deps.mil/army/cmds/imcom_G9/G9/CYS/Pages/CYS%20Documents.aspx

10. Refunds:

a. Refunds are not authorized for:

(1) Child absences two weeks or less.

(2) CYS Services short term program closures due to inclement weather (3 days or less), staff training (no more than 2 days per year provided patrons are provided with advanced notification and alternate options for child care when needed), or special installation circumstance as determined by the Garrison Commander.

(3) Withdrawal from a SKIES *Unlimited* Instructional class.

(4) Unused leave/vacation.

b. Refunds are authorized for:

(1) Program closures for repair or renovation when an alternate care setting is not provided.

(2) Unexpected prolonged (**over 2 weeks with Garrison Commanders approval**) child absence due to Family emergency or extended illnesses.

(3) Other extenuating circumstances (Garrison Commander's decision).

(4) Withdrawal from a Youth Sport (occurring before mid-season of the sport).

NOTE: Garrison Commander may refund or credit fees on a case by case basis for individual Families with special circumstances when the child will not be in the program for a period of time and the fee has already been paid or when a program is closed for special circumstances. The refund must not have a significant financial impact on the program.

11. Leave/Vacation Fee Options (in CDC Programs only).

a. During the enrollment/re-registration process, Families must select either a two (2) or four (4) week leave/vacation fee option for each child.

b. Vacation must be taken in a minimum increment of five consecutive work days.

12. Fee adjustments for a Family financial hardship waiver may be approved when a Family can demonstrate a severe hardship resulting from, but not limited to: sudden and unexpected illness or accident of the spouse or the same-sex domestic partner of an eligible DoD civilian employee; loss of the spouse's or eligible DoD civilian's same-sex domestic partner's employment or wages; property damage not covered by insurance; or extraordinary and unforeseeable circumstances arising as a result of events beyond the control of the patron.

a. Garrison Commander may temporarily adjust fees for individual Families based on financial hardship or other special circumstances on a case-by-case basis. Financial hardship waivers must be validated at least every 6 months.

b. Fee adjustments for financial hardships do not apply to Hourly Care, Youth Sports or SKIESUnlimited Instructional Classes.

c. Families whose child care fees are 25 percent or more of their TFI must be informed they are eligible to request a financial hardship waiver.

d. The number of fee adjustments for financial hardship waivers must be reported on the Army Annual Fee Report.

13. Fee reductions for operational hardships for CYS Services **direct care staff** when staffing shortages severely impact the program's ability to operate at full capacity because of documented staffing shortages resulting from recruitment and retention issues.

a. Operational hardships may be requested by installations that can document significant staff shortages resulting from recruitment and retention issues. **Garrison Commanders must submit requests for approval of an operational hardship through their Region to HQ IMCOM no-later-than (NLT) 14 October 2016.**

Operational hardships must be requested and approved annually.

b. The request must include a business case citing, at a minimum, personnel recruitment and retention issues, **turnover statistics**, number of unfilled staff vacancies, **unfilled child space** vacancies and program adjustments, and other factors such as staff mission fatigue, facility openings, and competition with local labor pools.

c. Staff fee reductions for operational hardship will not exceed 20 percent. **The operational hardship reduction is calculated after the MCR and/or deployment support services reduction are applied. CYMS does this for 10.3. CYMS 10.1 users please see the following guidance located:**

https://army.deps.mil/army/cmds/imcom_G9/G9/CYS/Pages/CYS%20Documents.aspx

d. **Direct Care** staff receiving the operational hardship reductions are eligible to receive the 15 percent MCR when more than one child is enrolled in regularly scheduled child care.

e. Only one operational hardship reduction will be applied per child when more than one Family member is employed in CYS Services.

f. Operational hardships will be reported to OACSIM on the Annual Fee Review Report listing the reason, the amount of the fee reduction provided, and the type and number of staff receiving the reduction.

14. Parent Participation Fee Reduction:

a. A ten percent reduction on one month's fee for one child may be awarded for each 10 hours of parent participation. Reductions are limited to 10 percent per child per month.

b. Parent participation points may only be used for regularly scheduled programs (e.g. Full Day Care, **Part Time Care**, **Part Day Toddler/Preschool**, Before/After School Age Care, and School Break Camps). Parent participation points will not be used to reduce hourly care fees.

c. Parent participation must be tracked in CYMS.

15. Notification to Defense civilian sponsors of potential tax liability related to on post child care subsidy:

a. The Internal Revenue Service (IRS Code Section 61) considers the fee assistance the Army provides for child care as cash income in addition to normal earnings.

b. There is no differentiation between DoD civilian employees and Military service members in regard to the fee schedule or quality of child care services provided, but there is a distinction in the treatment of this subsidy under the tax code.

c. Each year DoD determines the value of the child care subsidy. A Third Party Administrator performs this equation on behalf of DoD. Guidance is provided by DoD prior to the tax year (see **below**).

**NOTIFICATION FOR CIVILIAN SPONSORS UTILIZING DEPARTMENT OF DEFENSE SUBSIDIZED
CHILD DEVELOPMENT PROGRAMS
DURING TAX YEAR 2016**

The Department of Defense (DoD) is required to notify you annually of the tax value of the child care subsidy for your installation-based child development program. This letter serves as your notification.

The Internal Revenue Code (IRC) commonly referred to as "tax code or law," is provided in title 26, United States Code, section 61 and title 26, Code of Federal Regulations, section 1.61-1. The IRC requires that child care subsidies generally be treated as cash income, in addition to normal earnings. While no direct subsidy payment is made to any sponsor, either military or civilian, the DoD installation based child development programs are equally subsidized for all sponsors through appropriated funds. These subsidies enable the programs to provide quality care to your children at a rate less than would normally be charged. These subsidies reduce your cost of this nationally accredited child care.

While the IRC requires child care subsidies to be potentially taxable, there are tax exclusions on the value of subsidies up to \$2,500 (for married individuals filing separately), or \$5,000 (for married couples filing jointly or single heads of household), from gross income if the subsidies are made available through an employer Dependent Care Assistance Plan (DCAP), which is the case for children enrolled in DoD installation child care programs.

The IRC also stipulates that the child must be claimed as a dependent on the Federal income tax return of their parent or guardian in order to qualify for the \$2,500 or \$5,000 exclusion. This stipulation applies to civilian employee sponsors with children enrolled in DoD subsidized child care programs. Additional guidance may be found in the Internal Revenue Service Publication 503, "Child and Dependent Care Expenses."

Each year the DoD must determine the value of the child care subsidy. The Third Party Administrator (TPA) performs this equation on behalf of the Department by deducting the amount of your child care fees from the tax value of the child care space to determine a "net value" of the child care space. **This net value is the amount that is considered potentially taxable income associated with the DoD child care subsidy.** Only child care subsidies that exceed the \$5,000 (\$2,500 for married individuals filing separately) exclusion are taxable and reportable. Sponsors are responsible for considering any Dependent Care Flexible Spending Accounts (DCFSA) to determine if the net value plus the DCFSA value exceeds the \$5,000 or \$2,500 amount, which would be considered potentially taxable income. If you have questions regarding your potential tax liabilities, you should consult with your tax advisor.

Tax Year 2016 Information

The cash value of the subsidy for 2016 tax purposes is \$4,675.

The 2016 **net value** of the subsidy for each income category is listed below:

Only child care subsidies that exceed the \$5,000 (\$2,500 for married individuals filing separately)

exclusion are taxable and reportable.

- Families in Category I have a child care subsidy net value of **\$1,659/year** for a full time, full day space
- Families in Category II have a child care subsidy net value of **\$879/year** for a full time, full day space
- Families in Category III have a child care subsidy net value of **\$47/year** for a full time, full day space
- Families in Categories IV – IX have a NO child care subsidy net value (**\$0/year**) for a full time, full day space based on the yearly total of fees paid for child care

Notification for Civilian Sponsors utilizing Department of Defense Subsidized Child Development Programs must be provided to patrons annually. The document can be located at:

https://army.deps.mil/army/cmds/imcom_G9/G9/CYS/Pages/CYS%20Documents.aspx

16. Army fees are used at Joint Base locations where the Army is the supporting Service.

17. DoD Contractors:

a. Fee assistance was eliminated for DoD Contractors assigned to TFI Fee Category 9 whose children receive care in military Child Development Centers, Family Child Care, School Age Care, and Youth programs.

b. Contractor employees in TFI Category 9 are not eligible to receive fee reductions (e.g. MCR, **Family financial hardship waivers**, etc.).

18. Training: Child and Youth **management and clerical** staff must receive training on the fee policy to ensure they have the ability to respond to parent questions about the fees.

19. Standing Operating Procedures (SOP) must be established for:

a. Non-payment of child care fees, collection of delinquent fees, and denial of services.

b. Non-mission related late pick-ups.

c. Patron refund procedures.

d. Parent participation program.

e. **Community based program referrals and waiting list management.**

f. Financial hardship waiver request and approval.

g. FCC parent fee assistance and FCC provider support procedures for validating and approving FCC provider requests for payment.

h. Denial/termination of services.

Part 3

Army Child & Youth Fee Policy Total Family Income: School Year 2016-2017 (SY16-17)

Guidance:

1. The Secretary of Defense prescribes policy that requires the Military Services to establish child care fees based on TFI for children regularly attending Military Child Development Programs.

2. Parent fees are determined during the CYS Services enrollment process for regularly scheduled CDC, **FCC**, SAC or YPs before school or camp programs and during annual registration re-registration thereafter. **The Army will verify fees during the annual registration re-registration process.**

3. CYS Services Parent Central Services staff:

a. Reviews TFI documentation to determine the Family's TFI Fee Category.

(1) Families that fail to show proof of TFI are charged Category 9 parent fees. If the required documents are provided at a later date, the TFI Category is adjusted accordingly and new fees are effective from that date.

(2) Fees for Families utilizing Family Care Plans or other temporary guardianships are calculated based on sponsor's TFI.

b. Calculates the TFI.

c. Identifies TFI Fee Category.

d. Informs Family of their program fee/s.

e. Inputs Family income data into the CYMS.

f. Maintains a copy of TFI documentation at Parent Central Services through the end of the applicable annual registration period **and documentation for applicable year's fee audit.**

4. Total Family Income:

a. TFI is all earned income including wages, salaries, tips, special duty pay (flight pay, Active Duty demo pay, sea pay), and Active Duty save pay, long-term disability benefits, voluntary salary deferrals, retirement or other pension income including SSI

paid to the spouse and VA benefits paid to the surviving spouse before deductions for taxes.

b. TFI calculations must include quarter's subsistence and other allowances appropriate for the rank and status of military or civilian personnel whether received in cash or in kind.

(1) For dual military living in government quarters include Basic Allowance for Housing with Dependents Rate (BAH RC/T) of the senior member only; for Defense civilian OCONUS include either the housing allowance or the value of the in-kind housing provided.

(2) Rather than use the Basic Allowance for Housing (BAH) listed on the Leave and Earning Statement (LES), installations must use the Non-Locality Basic Allowance for Housing with Dependents Rate (BAH RC/T) for all members, regardless of whether they live in government housing or off the installation.

(3) The local BAH rate is used in locations where the military members receive less than the BAH RC/T allowance. The local BAH rate is located at: <http://www.defensetravel.dod.mil/site/bah.cfm>.

c. Family Subsistence Supplemental Allowance (FSSA) is not included in the TFI calculation. Families receiving the FSSA will be reported as financial hardship waiver cases on the DoD Fee Review Report.

d. TFI calculation should not include alimony, and child support received by the custodial parent, SSI received on behalf of the dependent child, reimbursement for educational expenses or health and wellness benefits, Cost of Living Allowance (COLA) received in high cost areas, temporary duty allowances, or re-enlistment bonuses. Refer to DoD Form 2652 (DD Form 2652, May 2014) Application for Department of Defense Fees, **or Application for Department of Defense Child Care Fees template. Located at:**

ANNEX E - August 2016

5. The TFI Documentation for Fee purposes will be based on:
 - a. Military sponsor's current LES.
 - b. Civilian sponsor's current LES.

- c. Spouse's/partner's LES, W-2 forms, and/or other income documentation.
- d. Schedule C (IRS return) from previous year to demonstrate wages from self-employment.
- e. Letter from employer if spouse has not worked one full month. The letter must include rate of pay and anticipated average number of employment hours in order to calculate an annual pay estimate. Pay stub must be submitted following the first month of employment.

6. Non-Locality Basic Allowance for Housing:

a. TFI includes the Non-Locality Basic Allowance for Housing with Dependents Rate (BAH RC/T) for all military members regardless of whether they live in government housing or off the installation.

b. The local BAH rate from the LES is compared to the allowance on the BAH RC/T with Dependents Rate chart and the lower of the two is used to calculate TFI. This process applies to married and single Soldiers in all locations. In dual military Families, only the senior member's rate is used. **Army guidance follow 4.b.2 guidance.**

c. The BAH RC/T chart is located at <http://www.defensetravel.dod.mil/site/bah.cfm>. Open the website. On right side of the screen under "Quick Links and Resources" click on "Non-Locality Rates." To locate the BAH RC/T chart, find the appropriate calendar year.

7. Fees for Legally Separated Families are contingent on a legal separation document, a signed separation agreement, or a notarized statement explaining that the parents are separated and unable to reconcile their marital relationship, civil union, or domestic partnership.

8. Fees for Blended Married Families will be based on the TFI of the household.

9. Maintenance and Security of Documents:

a. Parent Central Services will retain current financial pay information and previous years' documentation. **Parent Central Services must destroy previous years' financial documentation following completion of the annual fee audit.**

b. Social Security Numbers (SSNs) except for the last four digits are redacted on all printed documents after Sponsor LES information is entered into CYMS.

c. The full sponsor SSN should be entered into the encrypted CYMS Family Member #1 field. The SSN should not be visible to any user logged in under the regular

user ID. SSN will not be displayed on CYMS reports except on a limited controlled access basis.

d. LES or similar paperwork must remain in the Parent Central Services Offices and will not be forwarded or visible on Profile Print to the CYS Services programs, i.e., CDC, SAC, YP, etc.

e. Access to Family financial files in CYMS will be limited to “need to know personnel,” (i.e., Outreach Services Director, Parent Central Services Registration staff). All “need to know” personnel must be advised of the Privacy Act requirements as well as their responsibilities for ensuring the security of all financial and personnel information.

f. LES documentation will not be transmitted to a gaining Installation during the CYMS Global Data Transfer.

10. TFI category is adjusted when:

a. The unemployed spouse finds paid employment.

b. There is a documented reduction in TFI (e.g. change from full time to part time, furlough, **loss of or new employment of unemployed spouse**, etc.).

c. A financial hardship waiver is granted to change the TFI **category**.

d. A TFI calculation error places Families in a higher TFI Category. Retroactive credit (from the date of the error) will be applied to the Family household. When TFI calculation errors result in underpayment, Families are notified that fees will be adjusted during the next re-registration, unless the mistake is determined to be fraudulent.

11. Parent Fees are adjusted when:

a. The Family moves to a new TFI Category (e.g. during re-registration or when an unemployed spouse looking for work finds employment).

b. c. Army fee policy directs a fee change.

d. A financial hardship waiver is approved.

12. Annual Fee Audit: Request the supporting internal review office conduct an annual audit to ensure Families are placed in the correct TFI category. Completion of the annual fee audit must be verified during the Army Higher Headquarters Inspection (AHHI).

Part 4

Army Child & Youth Fee Policy: Family Child Care (FCC) Parent Fee Assistance and FCC Provider Support Incentives - School Year 2016-2017 (SY 16-17)

1. Overview:

a. Army Family Child Care will be subsidized at levels defined by this policy. FCC subsidies and Parent Fee Assistance are executed Army-wide at the enterprise level. Based on the availability of funds IMCOM will determine the FCC Direct Subsidies offered. Centrally funded subsidies include parent fee reductions and provider incentives and are provided into two categories; indirect and direct.

b. Parent fee reductions provide Families an “affordability incentive” to enroll children in regularly scheduled child care in FCC Homes.

c. Centrally Funded Indirect and Direct Support Incentives for Army FCC Providers provide stable monthly support incentives for FCC Provider. Financial incentives encourage providers to enhance their care giving skills through professional development, provide needed specialty or after hours care, increase child spaces, and continue with the Army FCC Program as their career path. FCC providers are permitted to negotiate the fees charged for Families in Categories 7-9A, but may not charge more than **15%** below installation parent fees. **The fees may also not exceed the max amount on the fee chart for that fee category. No additional subsidies are authorized to be paid to FCC Providers without prior approval from IMCOM G9.**

2. Business Policies:

a. New FCC providers are required to participate in the FCC Fee Assistance and Support Incentive Program. Existing FCC providers who are not receiving subsidies may continue not to participate. They will continue to receive RIMP and training support.

b. Families using FCC must enroll their children at Parent Central Services.

c. FCC providers may not receive subsidies for their own children.

d. Family Leave/Vacation: FCC parent fees are annualized to include a two week leave/vacation during which time the parent pays no fee to hold the space. Providers may only receive fee assistance during the 2 week vacation period when children are not in care. **The FCCD will keep records of Family’s use of vacation/leave. The FCCD will monitor provider claims to ensure that providers are not paid subsidy for more than two weeks of vacation/leave for any one Family in any year, and that Families are not claiming more than two weeks of leave by using multiple providers or facilities.**

3. Parent Fee

a. Parent fees are established 15 percent below installation fees and based on the availability of funds. **This fee reduction will be applied and calculated on the FCC Payment Calculation Record.**

b. Multiple Child Reduction (MCR): A 15 percent standard Army-wide MCR applies when multiple children in the same Family enroll in regularly scheduled child care programs offered/sponsored by CYS Services. **The reduction is applied to the child with the lower fees. The MCR will be applied in CYMS to a CDC or SAC child when multiple children are enrolled in both FCC and CDC or SAC.**

Note: The MCRs for child care and Youth Sports are calculated separately and may not be combined. The MCR does not apply to DoD contractors assigned to TFI Category 9, hourly/daily or daily child care fees.

c. Hourly Care:

(1) Non-Duty Related Hourly Care Parent Fees: \$4.00 per child per hour between 0600-2400 hours and \$5.00 per child per hour between 0001-0600 hours. **Patrons will contact Parent Central Services for hourly care providers. Hourly care fee are paid by the Patrons directly to the FCC Provider. There is no subsidy for Non-Duty Related Hourly Care.**

(2) The MCR does not apply to hourly or occasional child care fees.

d. Late Pick-Up: \$1.00 per minute up to 15 minutes per Family per site, regardless of the number of children in care in the FCC home. After 15 minutes, the charge is \$5.00 per child/per site for the next 45 minutes. CYS Services emergency procedures are followed when child(ren) is (are) left at the program one hour after closing. Late pick-up fees are not charged for verified mission related circumstances or when prior agreements are made to extend child care prior to pick-up or in other extenuating circumstances. **Patrons pay the Provider any Late Pick-Up fees directly.**

e. Supplemental Fees for CYS Services Special Events/Activities: Parents may be charged additional "one-time event" fees to cover costs of special field trips, day outings, etc. **Providers wishing to charge this fee must seek pre-approval from the FCCD. The FCCD will raise the request to the next person in their chain of command before any charges are made. If a patron chooses not to participate in a "one-time event", the initiating FCC Provider will provide backup child care at no additional cost to the family which is not reimbursed by subsidy.**

f. Back-Up Care for Children Enrolled in Family Child Care Homes: FCC providers will place children with an authorized FCC back-up care provider or in a CDC/SAC program at no cost to the Family. **Back-up Providers will be arranged with/by the**

FCCD in emergencies. Providers may make their own arrangements for Back-Up care as needed during absences or day of non-operation.

g. Parent Participation Program Fee Reduction: Parents utilizing FCC full day (includes Before & After Program) and part time programs may qualify for Parent Participation Program fee reductions by participating in authorized volunteer activities IAW Parent Participation Program operating guidelines.

(3) Army Risk Management Program: Provisionally and fully certified on post FCC providers in good standing are authorized coverage in the Army Risk Management Program. Homes Off Post Providers are not eligible for this program and must carry personal liability insurance. **Requests to add a provider to the RIMP program shall be made directly to the G9 RIMP POC prior to the home opening using the official RIMP request form (Annex H in Operations Manual). The FCCD should also encourage Providers to supplement the RIMP with their own business insurance policy.**

(4) CYS Services Lending Library. **The FCCD will notify Providers using the Lending Library that they may be charged for damaged items if there is deliberate misuse of an item. The FCCD will determine on a case-by-case basis if an item loaned from the lending library was deliberately misused/damaged and, if so, may charge for damages to the item up to the full cost for replacement. Providers must sign a statement of understanding acknowledging this change in policy.**

PPD may be used in an emergency or when a Provider is sick without the two week notice. PPD must be taken Monday through Friday and cannot be used on Federal holidays unless in an emergency. PPD may be taken on the final day of the previous quarter and the first day of the new quarter to allow two consecutive**

days off. Providers will be paid for any PPD not taken. Providers may claim \$25 for each full-time child and \$17 for each part-time child. Providers must submit written documentation that the parent was informed of the two week notice requirement at the commencement of services and documentation of at least three attempts to recoup the payment from the parent. FCCD will annotate this information in CYMS to preclude parents from enrolling in any other CYS Services program unless the lack of payment was directly due to the patron accepting a space in another CYS Services Program.**

(7) Back-Up Care FCC Providers: Pays for FCC providers to provide backup care for other providers during an authorized absence (e.g. while the provider attends training, attends to the administrative requirements to complete background checks, etc.). Back-Up FCC providers receive \$5.00 per hour per child. Primary FCC Providers are not responsible to pay Back-Up Care Providers. **This also covers when a provider is taking a PPD.**

The amount of the Special Needs Care Support Incentive payment (**Not to exceed \$600 per child per month**) will be determined on a case by case basis and approved by the Director, Morale, Welfare and Recreation. It considers the complexity of services and/or severity of the condition required for the health, safety and well-being of the special needs child, other enrolled children in the FCC Home, and funding support received from other sources. **When the MIAT Team determines that the most appropriate placement for a child/youth with special needs is within an FCC program and the child's care requires substantially individualized care which can only be accommodated via a reduction of one child care space, then this incentive may be offered to the Provider. If the child participates in the home in a full-time basis, the subsidy will be \$600. If the child only participates on a part-time basis, the subsidy is \$300. Providers may enroll no more than two (2) children/youth with special needs for whom this incentive is recommended. Recommendation for this subsidy shall be documented on the child/youth's MIAT Care Plan. It should be submitted to the CYS Services Coordinator for approval. Special Needs Care Support Incentives will be reviewed at least annually as part of the MIAT Care Plan review to determine the ongoing need of the subsidy.**

Army Child & Youth Fee Policy

Community Based Programs (installation-based): School Year 2016-2017 (SY16-17)

NOTE: This chapter provides policy for installation based programs (i.e., ACCYN and ASPYN), which are not currently operational. Garrisons should continue to follow Army Fee Assistance Operational Guidance regarding referral to third party administrator and certificates of non-availability/availability until further notice.

1. Community Based Programs serve Army Families that cannot access installation child care due to geographic location but can also serve Families when the waiting list for **care exceeds 90 days for placement**. Installations must receive approval from IMCOM to refer Families due to long waiting lists. However, fee assistance for these Families is contingent on filling installation programs spaces first for those who are located on/near installations.
2. When approved, installations can refer Families to the Army designated Third Party Administrator to help them locate care and enroll in fee assistance.
3. Parent Fees: Parent fees for Families participating in Community Based Programs are calculated by an Army Third Party Administrator as part of the enrollment process for Army Fee Assistance.
 - a. Parent fees are based on Total Family Income, installation child care fees, civilian provider rates, geographic location, deployment status, Army provider rate caps, and various other factors that may cause fees to vary from Family to Family.
 - b. Army Fee Assistance buys down the cost of care so that Families using qualified civilian care pay fees that are similar to those on the installation. The Army establishes civilian provider rate caps based on availability of funds that may limit the amount and number of Families approved for fee assistance. Families who select civilian care that exceeds the provider rate caps will have higher parent fees. Third Party Administrators will recommend providers whose rates are reasonable for the area and discuss excessive rates with Families.
 - c. When an installation refers a Family to the Third Party Administrator, they must follow-up with that Family within 45 days to receive a status on their placement in the fee assistance program.
