Continuing Medical Education Day Blanchfield Army Community Hospital personnel will receive annual continuing medical education April 27. All primary care Patient and Soldier-Centered Medical Homes as well as specialty services will not be open. Additional providers will be available in the Emergency Center for acute needs. The Town Center Pharmacy will operate normal business hours April 27, but all other pharmacies will be closed to include Screaming Eagle Medical Home, Byrd, LaPointe, Campbell Airfield and the Main hospital pharmacy. The hospital remains open 24 hours a day, seven days a week, 365 days a year for emergency services, inpatient care, and labor and delivery services.

New Immunization Service

A new Adult Immunization Service is scheduled to open soon at the Town Center Pharmacy. This will provide adults without access to primary care for routine and adult immunizations the ability to receive immunizations from a clinical pharmacist at Town Center. BACH's goal is to increase immunization access for beneficiaries who are not on TRICARE Prime or not enrolled at the MTF. This initiative will also reduce the Defense Department's cost in the network for TRICARE beneficiaries needing vaccines.

TRICARE Retiree Dental Program

The TRICARE Retiree Dental Program (TRDP) ends on Dec. 31, 2018. The last day to enroll in TRDP is Oct. 31, 2018. Beginning in 2019, dental and vision plans will be available through the Office of Personnel Management's Federal Dental and Vision Insurance Program (FEDVIP).

- Vision: Eligible TRICARE beneficiaries will have four vision plan options.
- Dental: FEDVIP Dental will replace the current TRICARE Retiree Dental Program (TRDP). If you currently have TRDP, you will need to enroll in FEDVIP Dental to have dental coverage in 2019.

If you're eligible, the first opportunity to enroll in FEDVIP is during the 2018 Open Season. Coverage will start Jan. 1, 2019. For more details on the new coverage options, visit TRICARE.benefeds.com and sign up for email updates.
